To help comply with changes to WH&S rules, practices need to have a WH&S policy in place, as well as a WH&S manual. ArchiTeam have negotiated a group deal with FJP Safety Advisors for a WH&S Kit, which includes:

- General WHS Policy
- WHS Training Policy
- Safety in Design Policy
- Fire Safety Policy
- Contractor Approved Register
- Working from Home Register
- Emergency Response Plan
- and more...

Normally the cost for these WH&S essentials is in excess of \$2,000 + GST. Our price: \$330 (incl GST) per practice.
